Reduction in operating hours at Kekaha Landfill, transfer stations

In an effort to reduce overtime expenses in fiscal year 2013, the county will be implementing changes next month in the operating hours at the Kekaha Landfill and the transfer stations.

These changes are projected to result in a reduction of \$266,000 in overtime expenses for the year.

Effective July 1, the landfill and transfer stations will be open to the public as follows:

- Kekaha Landfill – 8 a.m. to 4 p.m.
- Transfer stations – 9:15 a.m. to 5 p.m.

All county departments are expected to better manage overtime costs and realize savings over current levels in the coming fiscal year.

Anyone with questions can call the Solid Waste Division at 241-4837.
